

ADMISSION TO

Frigyes Verzár College for Advanced Studies

College for Advanced Studies is a part of the Hungarian talent management system, it is a special legal institution, a self-motivating program in the Hungarian higher education system. Its members are university/college students. College for Advanced Studies tries to motivate its students to achieve high professional level. The aim of the Frigyes Verzár College for Advanced Studies focuses on talent management, the education of socially sensitive and well-informed intellectuals, and the promotion of self-fulfilment.

The application for participating in the work of Frigyes Verzár College for Advanced Studies can be submitted by the full-time and part-time Bachelor and Master students of our faculty.

WHO ARE WELCOME?

- Students who have good ideas, research fields, research plans
- Students, who have not found a good research topic yet. We will help them to find a good topic and an appropriate tutor.

WHAT COLLEGE FOR ADVANCED STUDIES CAN PROVIDE FOR THE PARTICIPANTS?

- Direct support from your tutors to develop your skills and talent
- Valuable relationships and an opportunity to get acquainted with important and valuable people and the opportunity to show your talent
- Academic scholarship possibilities
- Participation at conferences and at courses of respected lecturers
- You can try yourself in the management and organization of programs, conferences
- You can have the possibility to learn proposals that are announced only through colleges for advanced studies
- You can be the member of a committed, inspiring team
- You can conduct research and develop your skills

HOW CAN YOU SUBMIT YOUR APPLICATION?
